

# The Blessing Project

## Description:

- Provide free temporary housing to retired pastors and missionaries who do not have enough resources to live.
- Provide a place of rest for pastors actively involved in ministry. They come to recharge before heading back to ministry
- A small retreat center, will provide income to allow Project Blessing to be self-supporting.

## Justification:

- Many Costa Rican pastors and missionaries, due to their low income during their ministerial career, did not contribute to the pension system and are living in poverty.
- Pastors can become exhausted due to the demands of the ministry. A week of rest at Project Blessing allows them to recharge before heading back to ministry.

**Project location:** Barva City, Heredia. Altitude 1700 meters, in a mountainous area.

**Costs: Goal #1** Purchase of land, 7,000 square meters, \$320,000. Financing for 5 years, but we would like it to happen much faster. We are praying for 300 donors of \$1000, but any amount will help.

**Goal #2** Construction of Residences: 1,100 square meters @ \$600 = \$660,000

**Goal #3** That the ministry be self-sustaining once construction is completed. Construction begins after the land has been paid for.

Your prayers and donations are very important to achieve the goals that God has placed on our hearts.
